

Test border-style property is overridden.
All tests have border-*-width="12pt" and
space-before="12pt".

No border-style

```
border-left-style="solid" border-right-  
style="double" border-top-  
style="inset" border-bottom-  
style="outset" border-style="dotted"
```

```
border-left-style="solid" border-right-  
style="double" border-top-  
style="inset" border-bottom-  
style="outset" border-style="dotted"
```
